PRIVATE FIRE PROTECTION SERVICE

SPECIAL CONDITIONS:

General Items:

California American Water Service Areas

1. The fire protection service and connection shall be installed by the Utility's or under the Utility's direction. Cost of the entire fire protection installation shall be paid for by the applicant. Such payment shall not be subject to refund.
2. If the distribution main of adequate size to serve a private fire protection system in addition to all other normal service does not exist in the street or alley adjacent to the premises to be served, then a service main from the nearest existing main of adequate capacity will be installed by the utility at the cost of the applicant. Such cost shall not be subject of refund.
3. The installation housing the detector type check valve and meter and appurtenances there to shall be in a location mutually agreeable to the applicant and the utility. Normally, such installation shall be located on the premises of applicant, adjacent to the property line. The expense of maintaining the fire protection facilities on the applicant's premises (including the vault, meter, detector, type check valves, backflow device and appurtenances) shall be paid for by the applicant.
4. The utility will supply only such water at such pressure as may be available from time to time as a result of its normal operation of the system. The utility will supply only such water at such pressure as may be available from time to time as a result of its normal operation of the system. The customer shall indemnify the utility and save it harmless against any and all claims arising against the utility for any loss or damage resulting from service under this schedule. Section 774 of the Public Utilities Code limits the liability of the utility resulting from a claim regarding adequacy of pressure or supply for fire protection service.
5. All bills are subject to the reimbursement fee set forth in Schedule No. UF.
6. For any unauthorized use of water for other than fire protection purposes, the customer shall be charged under General Metered Services for the applicable district, at the regular metered rate for general metered service, including applicable surcharges, and/or the Utility discontinuing the fire protection service without liability to the Utility.
7. All facilities paid for by the applicant, excluding the connection at the main and any service pipe located in a public right-of-way, shall be the sole property of the applicant. The Utility and its duly authorized agents shall have the right to ingress to and egress from the premises for all purposes relating to said facilities
8. The minimum diameter will be 1 inch, and maximum diameter will be the diameter of the main to which the service is connected.
9. Service hereunder is for private fire protection systems to which no connections for other than fire protection purposes are allowed and which are regularly inspected by the underwriters having jurisdiction. All facilities are to be installed according to the Utility's specifications and maintained to the Utility's satisfaction. The Utility may require the installation of a backflow prevention device and a standard protection against theft, leakage or waste of water

SPECIAL CONDITIONS

California American Water Service Areas

10. No structure shall be built over the fire protection service and the customer shall maintain and safeguard the area occupied by the service from traffic and other hazardous conditions. The customer will be responsible for any damage to the fire protection service facilities.
11. Subject to the approval of the Utility, any change in the location or construction of fire protection service as may be requested by public authority or the customer will be made by the Utility following payment to the Utility of the entire cost of such charge.

Monterey Service Area:

1. Customers who use California American Water system to provide for fire flow, but do not receive their domestic supply from California American Water, will pay a special Private Fire Protection Service rate equal to either the higher of the standard rate for their size service or a rate equal to the sum of the standard monthly Service Charges that would be billed for all the properties served by the Private Fire Service if they did receive domestic service. All fire service to non-domestic customers will be considered private fire service. If a new public fire hydrant is required to be installed for a non-domestic customer and other customers will benefit, no fee will be charged.
2. A surcharge is included on each bill to collect franchise taxes and/or business license fees paid to various municipalities. The amount collected is based on a percentage of the gross revenues of each bill. The percentages are as follows:
Franchise Fees: Ryan Ranch 1.00%, City of Pacific Grove 2.00%, City of Carmel-by-the-Sea 2.00%, City of Seaside 1.00%, City of Del Rey Oaks Franchise Fee 2.00%, City of Monterey 1.00%, City of Sand City 1.00%, and unincorporated areas of Monterey Service Area 1.00%.
