Dear Customer:

During a routine visit to your property we discovered that your house was vacant. At that time we sounded the service line and heard water running on your side of the pipe. This usually suggests a leak. CAAWC was very concerned that this problem could cause a hazardous situation in your absence. Therefore, we shut off the water to the property located at

You may notice an increase in consumption on your next bill. Please contact our office at 1-800-794-7350 if you have any questions concerning this matter.

Sincerely,

Customer Service
