FIRE FLOW TEST APPLICATION FORM

Date of Application: _____

APPLICANT INFORMATION

Name: _____ Owner: Yes _____ No _____

Address: _____
(No. & Street) (City) (Zip Code)

Contact Name: _____ Phone No.: _____

Email: _____

PROJECT INFORMATION

Project Name: _____

Project Address / Description: _____
(Address, Lot, Block, Tract#, APN, etc.,)

Service Area: _____
(Nearest Major Cross Streets)

Request Test Hydrant: _____
(If Known)

NOTE: Area Map with specific location of project is required.

FIRE FLOW REQUIREMENTS

Desired Flow (gpm): _____ Desired Flow Duration (hrs): _____
(As determined by Fire Department based on Construction Type, Occupancy, Size, etc.)

If Required Flow or Duration are unknown or left blank, test results will be reported based on an actual flow from a single fire hydrant, and a computed flow at 20psi residual pressure.
If actual Flow Requirements differ from the test results, revision of the results letter or additional tests will be charged an additional \$500 fee.

I hereby request a Fire Flow Test from California American Water be performed for the identified project/location.

(Authorized Signature of Applicant)
