HAWAII
AMERICAN WATER

WE KEEP LIFE FLOWING®

At Hawaii American Water, our work extends beyond providing safe, reliable wastewater service to our customers. We are also committed to supporting organizations that make our communities a better place to live and work. That's why we're proud to have provided funding to organizations to benefit the well-being of our customers, communities, and watersheds. Making an impact across the state is one more way we help keep life flowing!

EMPLOYEES ENGAGED IN OUR COMMUNITIES

Being a good neighbor is part of our mission at Hawaii American Water. Our employees play an active role in the communities we serve by getting involved in a variety of environmental, educational and philanthropic activities.
